USA / CANADA TECHNICAL REQUIREMENTS

STEELEYE SPAN

The following is designed to assist in the smooth running of the show for both 'Management' and 'Artiste' and to enhance the performance for the audience. Should there be a problem with complying with any of the following, please contact us at the above. Many thanks.

The 'Management' agree to supply the following at no cost to the 'Artiste':

- (a) PA System and Lighting as per attached where possible
- (b) Four chairs on stage.
- (c) A table placed in a prominent position in the foyer for the purpose of Merchandising. The 'Artiste' reserves the exclusive right to sell its Merchandise on the night of the performance.
- (d) House Technicians will be required for get in & set up at approx. 4:00pm when the sound engineer will arrive with Steeleye Span. House Technicians Will be required to help with get out after show.
